

Submission questions.

IMPETUS

The European Union Prize for Citizen Science is funded through the IMPETUS project. This project is funded by the European Union's Horizon Europe research and innovation programme under grant agreement number 101058677. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them.

IMPETUS project has received funding from the European Union's Horizon WIDERA 2021-ERA-01 Research and Innovation Programme under Grant Agreement No 101058677

Applicants to the European Union Prize for Citizen Science will be required to provide the following information in the course of the submission process.

Table of contents.

About the submitted project / initiative / action.....4
About the submitter/s.....5
Material and consent.....6

About the submitted project / initiative / action.
