

# Declaration of Honour

1. I declare that:

- a. the organisation that I represent is not bankrupt or being wound up, is not having its affairs administered by the courts, has not entered into an arrangement with creditors, has not suspended business activities, is not subject of the proceedings concerning those matters, nor is in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- b. neither the organisation that I represent nor persons having powers of representation, decision making or control over it have been convicted of an offence concerning their professional conduct by a judgement which has the force of *res judicata*;
- c. neither the organisation that I represent nor persons having powers of representation, decision making or control over it have been guilty of grave professional misconduct proven by any means which the contracting authority can justify including by decisions of the European Investment Bank and international organisations;
- d. the organisation that I represent is in compliance with its obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which it is established or with those of the country where the contract is to be performed;
- e. neither the organisation that I represent nor persons having powers of representation, decision making or control over it have been the subject of a judgement which has the force of *res judicata* for fraud, corruption, involvement in a criminal organisation or any other illegal activity, where such illegal activity is detrimental to the Union's financial interests;

- f. the organisation that I represent is not subject to an administrative penalty for being guilty of misrepresenting the information required by the contracting authority as a condition of participation in a grant award procedure or another procurement procedure or failing to supply this information, or having been declared to be in serious breach of its obligations under contracts or grants covered by the Union's budget.

2. I declare that I/my organisation:

- a. are not subject to a conflict of interest with any of the DOORS Jury members (see list here);
- b. will inform DOORS' consortium partners (either Ars Electronica, MUSEUM BOOSTER or Ecsite), without delay, of any situation considered a conflict of interest or which could give rise to a conflict of interest with any of the Jury members;
- c. have not made false declarations in supplying the information required by the contracting authority as a condition of participation in the DOORS Call for proposals or do not fail to supply this information;
- d. are not in one of the situations of exclusion, referred to in the above mentioned points 1a) to f).

3. I certify that I/my organisation:

- a. are committed to participate in the aforementioned call;
- b. have stable and sufficient sources of funding to maintain activity throughout participation in the above mentioned call and to provide any counterpart funding necessary;
- c. have or will have the necessary resources as and when needed to carry out involvement in the above mentioned call.

4. I declare that I and other representatives of my organisation will:

Digital Incubator  
for Museums

[doors@ars.electronica.art](mailto:doors@ars.electronica.art)

<https://ars.electronica.art/doors/en/>

---

- a. comply with any and all legal requirements, both within the country or countries in which the project shall operate and at the European level, in particular the European Union General Data Protection regulation 2016/679;
- b. take all reasonable steps to ensure project outputs are made openly available and accessible to the widest possible audience.

I declare that, to the best of my knowledge and belief, I am eligible to apply for the DOORS Open Call and all the information I provided on the submission platform is true.

Submitters are required to actively give their consent by clicking a checkbox in the submission platform.

---

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101036071.
