Robbers and Knights – Once upon a time in Linz

Thursday, October 25, 2012 / 8-9 PM / Ars Electronica Center

(Linz, October 22, 2012) Tales of Linz in days of yore will be the center of rapt attention at the next Deep Space LIVE on October 25. Storyteller Claudia Edermayer will relate ripping yarns including the Sagas of the Iron Hand, the Losensteiner Tournament and Bandit Chieftain Michl Landl. Then historian Cathrin Hermann of the Linz City Archive will shed some light on the respective historical context and go into the question of what these stories of knights, brigands and arranged marriages can tell us about the particular time and society that brought them forth. “Robbers and Knights” will be reprised during Family Days at the Ars Electronica Center on the weekend of October 27-28, 2012 at 2:30 PM both days.

Deep Space LIVE

The Ars Electronica Center is now hosting a Deep Space LIVE event every Thursday (except holidays) at 8 PM. Each presentation will feature ultra-high-definition imagery in 16x9-meter format and will be accompanied by expert commentary, entertaining stand-up repartee, and musical improvisation. Whether great works from the history of art, space travel, journeys of discovery in the Nanoworld, or a live concert is what you've come to behold, Deep Space LIVE stands for enlightening entertainment amidst breathtaking worlds of imagery. Admission is €2. Holders of a valid Museum ticket are admitted free of charge.
