

Precious Gems and the Mountains of Patagonia

Wednesday, July 3, 2013 / 8:15 PM: Terra Mater LIVE: Secrets of the Night – In the Mountains of Patagonia / Ars Electronica Center

Thursday, July 4, 2013 / 8 PM: Deep Space LIVE: Precious Gems / Ars Electronica Center

(Linz, July 1, 2013) In the final installment of “Secrets of the Night” on Wednesday at 8:15 PM, Terra Mater LIVE invites visitors on an excursion to the southernmost mountains of the Andes chain, where a team of biologists and filmmakers took breathtaking footage capturing the habits of nocturnal animals in Torres del Paine National Park. On Thursday, Deep Space LIVE presents fascinating media art projects and the greatest hits screened over the past few years in Deep Space at the Ars Electronica Center.

Terra Mater Factual Studios

Discovering and comprehending the world are the watchwords of Terra Mater Factual Studios, the new home of the internationally renowned crew that used to produce the ORF – Austrian Broadcasting Company’s award-winning UNIVERSUM series. A RED BULL Media House subsidiary founded on January 1, 2011, Terra Mater Factual Studios produces spectacular content for the cinema, TV and multimedia platforms. It’s synonymous with superb quality–incredible visuals as well as great storytelling!

Deep Space LIVE

The Ars Electronica Center is now hosting a Deep Space LIVE event every Thursday (except holidays) at 8 PM. Each presentation will feature ultra-high-definition imagery in 16×9-meter format and will be accompanied by expert commentary, entertaining stand-up repartee, and musical improvisation. Whether great works from the history of art, space travel, journeys of discovery in the Nanoworld, or a live concert is what you’ve come to behold, Deep Space LIVE stands for enlightening entertainment amidst breathtaking worlds of imagery. Admission is €2. Holders of a valid Museum ticket are admitted free of charge.
