

Deep Space LIVE: CREATE YOUR WORLD

Thursday, January 15, 2015 / 8-9 PM / Ars Electronica Center

(Linz, January 12, 2015) The spotlight is on Ars Electronica's activities for kids and young people at the next Deep Space LIVE this Thursday, January 15th at 8 PM. The lineup includes a presentation of the best entries to the Prix Ars Electronica's u19 CREATE YOUR WORLD category, and an overview of projects featured at the most recent CREATE YOUR WORLD festival. Here's impressive testimony to the imaginativeness and creativity of today's youngsters taking an active approach to configuring the world in which they'll be spending the future.

Deep Space LIVE

The Ars Electronica Center is now hosting a Deep Space LIVE event every Thursday (except holidays) at 8 PM. Each presentation will feature ultra-high-definition imagery in 16x9-meter format and will be accompanied by expert commentary, entertaining stand-up repartee, and musical improvisation. Whether great works from the history of art, space travel, journeys of discovery in the Nanoworld, or a live concert is what you've come to behold, Deep Space LIVE stands for enlightening entertainment amidst breathtaking worlds of imagery. Admission is €2. Holders of a valid Museum ticket are admitted free of charge.
