

# EMAP (European Media Art Platform) Group exhibition at Ars Electronica 2019

EMAP (European Media Art Platform) annually awards production grants to outstanding European media artists and supports research, production, presentation and distribution of media art in Europe and beyond. Aiming to enable European artists to collaborate on projects and create closer bonds between European media organisations, the platform was founded in 2017 and offers grants in 11 member institutions: Ars Electronica (Linz, Austria), Bandits-Mages (Bourges, France), FACT (Foundation for Art and Creative Technology, Liverpool, United Kingdom), IMPAKT (Utrecht, Netherlands), Kontejner (Zagreb, Croatia), LABoral Centro de Arte y Creación Industrial (Gijon, Spain), m-cult (Helsinki, Finland), Onassis Stegi (Athens, Greece), RIXC (Riga, Latvia), WRO Art Center (Wroclaw, Poland), lead organisation: Werkleitz Centre for Media Art (Halle, Germany). The EMAP program is scheduled for the years 2017–2021 and is the largest international platform of artistic exchange and residency projects for media artists in Europe.
