

Mountain Biking in Linz

Ars Electronica Bike Visions 2023

(Linz, March 7, 2023) The Ars Electronica Center invites to the fourth edition of Bike Visions on March 10 and 11, 2023. A fixed point for bike enthusiasts!

Under the motto “Mountain Biking in the Central Region of Linz” people will once again be busy pedaling. Local trail building projects, a joint bike tour and spectacular pictures and films in Deep Space 8K are on the agenda. Professionals from the scene will pass on their knowledge and some bike tricks at riding technique workshops for young and old. Visitors can expect an exciting and varied program.

Mountain bike courses for kids & teens with Barbara Mayer & Julian Bauer

15:00-16:00, Deep Space 8K

How can children learn mountain biking in a playful way? What motivates teenagers? How can riding technique be improved? Barbara Mayer, founder of the MTB Kids Academy, and Julian Bauer from the Next Generation Racing Team will talk about this. The two bike pros will join trial biker Dominik Raab in a riding technique workshop to learn a bike trick or two.
